HyperDrive KX

TFR KER01 Concentrate

CODE: KXEZL10

Fast acting, versatile and highly effective traffic film remover for removal of road film, grease, oily salts, dust, soot, insects and dirt.

FEATURES / BENEFITS

- All purpose, non-corrosive, dilutable strong action cleaner.
- Built in water softening agents maximise cleaning performance, and reduce streaking, in hard water areas.
- Contains an antistatic agent that prevents static electricity, repels dirt for easy next time cleaning, and leaves a reflective showroom finish.

PERFORMANCE / SPECIFICATIONS

- Used as a neat pre-spray cleaner affords touchless cleaning.
- Use neat as a degreaser for engine and chassis cleaning.
- For high pressure washers and steam cleaning equipment, adjust the detergent feed meter so that the flow achieves the required cleaning action (suggested dilution rate is 1:10 to 1:5 depending on the degree of soiling).

RECOMMENDATIONS

Use as a pre-spray in cold or hot high pressure washers and steam cleaning equipment. Always pre-spray surfaces with cold water before applying TFR. For optimal cleaning allow 30 seconds contact time.

① Values are typical of current production, and whilst future production will meet these specifications, some variation in typical data may occur.
